

## There are TWO options for getting flu shots this year.

Whether you get your flu shot through CPS Wellness Works (TriHealth) or at one of the CPS locations on the attached flyer, you will "earn wellness points".

**Option 1:** If you get your flu shot at one of the listed locations, in order to earn your "wellness points", you must **submit a copy of your "explanation of benefits" from Humana** (or a receipt) to Lori Slusser.

### **US Mail:**
