

WELLNESS DEBIT CARDS (aka the BENNY Card)

The Wellness Debit Cards (known as the BENNY Card) have been mailed to your home the week of April 11, 2011. If eligible, you should have received 2 BENNY cards in the mail. These cards are preloaded with your previous benefit bank allotment for 2011. You must activate them as you would any credit/debit card prior to using them. Instructions provided on how to activate the card can be found [here](#). They can be used for multiple medical expenses such as: co-payments, coinsurance, deductibles, Rx co-pays, and some over the counter items. Please refer to the brochure on staffnet for more detailed information.

IMPORTANT to know: While the debit card will make paying for some of your out of pocket health care expenses easier, it is still YOUR responsibility to retain documentation/proof for all claims incurred on the card. In some cases, Benesyst (the company administering the Wellness Reimbursement Account) will need to certify the legitimacy of your claim because not all electronic claims are automatically certified. If Benesyst contacts you later for documentation of a claim, you must provide the information they request as soon as possible so you can continue to use your card for other medical needs. Benesyst has the right to suspend your card if the documentation they request is not received.

PRIOR EXPENSES – Any expenses incurred previous to receiving your BENNY card can also be submitted manually. You can also choose to submit all of your claims manually as well, instead of using your card, and be reimbursed. The amount of reimbursement will be deducted from the balance on your BENNY Card. All the forms needed, as well as frequently asked questions can be found on Staffnet at <http://staffnet.cps-k12.org/Staffnet/EmpBene/BennyCard.html>.

BALANCE and ACCOUNT INFORMATION, can be accessed at www.benesyst.net. Once you create a login, all your claims info, deposit info and balances are there for you to review.
