

Union Benefits/General Discounts

800-221-1212 general reservations. Medallion members: check reverse of your card.

Delta Airlines: A Skybonus account number was established for the Cincinnati Federation of Teachers/ACPSOP approximately 12 months ago. Skybonus is NOT the same as your SkyMiles® account and is entirely different and is no way related with one another. When making a reservation with delta.com or through your travel agent, please provide Skybonus account number: US581125819 in addition to your normal SkyMiles account. The CFT will receive points and you will still receive your miles.

This Skybonus account number may be used with Delta, KLM, AirFrance, and Alitalia airlines. To update your delta.com profile, sign on normally and then select SkyMiles® in the upper right hand corner, then select "Manage My Account" and, finally, click "Manage Profile" and finally enter the above account number under "Additional Information" and click UPDATE at the bottom of the screen.

For those that have traveled on Delta, KLM, AirFrance, and/or Alitalia within the past 12 months ONLY, those tickets can be manually added for retroactive credit. The 13-digit ticket number and last name is needed and I can contact the account representative and have those tickets added. Skybonus accounts can only be redeemed by companies and not individuals. Restrictions apply and currently there aren't nearly enough points for any type of redemption.

Car rentals: The discount for car rentals is enormous, sometimes up to 50% and/or a 2-class car rental upgrade. The most efficient access to your car rental discounts is to logon to www.aft.org/benefits. After successfully signing on, click "TRAVEL AND ENTERTAINMENT" and follow the directions. I suggest ALWAYS verifying the price with the major travel sites prior to completing an AFT reservation. At times, the discounted AFT price reflects an inflated price. National Car Rental tends to offer the best union rates and if you are an Emerald Club member, customers can proceed from the airline arrival gate directly to the Emerald Aisle and by-pass all car rental counters provided that you have established an online billing profile at www.emeraldclub.com prior to your first rental.

To manually reserve car rental with applied discounts:

AVIS 800-331-1212

800-227-7368

National Car Rental: <http://www.aft.org/national>

\$20 off weekly Rental. Request Coupon ID: ND8523ODI and Contract ID: 5130283

Two Car Class Upgrade: Request Coupon ID: NU7002ODM and Contract ID: 5130283

www.emeraldclub.com allows users to register frequent flyer mileage and Contract ID. National customers disembark the airplane and proceed directly to the Emerald Aisle and you choose any car you want (provided your reservation reflects a mid-size or above rental) and leave the parking lot completely by-passing the rental counter. It is simply wonderful and a major time saver.

Hotel discounts: The only established hotel discount is for Wyndham Hotels and Resorts. Save up to 20% off the "best available rate" at more than 6,400 hotels in locations worldwide. When making a hotel reservation, I strongly suggest directly calling the hotel you wish to make a reservation and ask for an "associated rate" and usually but not always, a discount appears. Hotels are craving business and will do almost anything to lure you into making a reservation with their property. Always ask about cancellation policy and avoid pre-paid reservations unless you are 100% certain about the property.

General discounts: www.workingadvantage.com provides employee discount and reward programs to corporations nationwide. Some are exclusive while other discounts are easily obtainable at various coupon web sites. Shoes.com, directv, eBags and up to 70% OFF restaurant.com certificates. Most \$25 certificates are only \$3. Disney discounts, Entertainment Book discounts, onetravel.com discounts and about 1,000 additional discounts. Restrictions apply.
