

# Securing a New Contract

**Cincinnati Federation of Teachers**  
Association of Cincinnati Public School Office Personnel

Welcome back! As the new year begins, **CFT/ACPSOP is ready to bargain a new contract.** Your Bargaining Team has been busy preparing and some of the initial meetings with CPS have already taken place. We look forward to a positive and collaborative process in the weeks to come.

To assist with negotiations, seven Work Groups have been created in order to address some key issue areas. **The Work Groups will focus on school team planning, student discipline, teacher evaluation, compensation, collaborative structures, staffing and special education.**

In the meantime, **the current contract has been extended and remains in force until we ratify a new agreement.** Speak to a CFT/ACPSOP staff member or Building Representative if you have a question or need assistance.

**Your support is critical in securing a contract that is good for students and fair to teachers.** Many members have already signed up for the **Contract Action Team.** If you haven't, please take a minute to do so today. Activities may include rallies and meetings, mobilizing other members, outreach to the community, and assisting the Bargaining Team. **Please complete the form below and return to your Building Rep.**

**YES, count me in! I want to help secure a fair contract and be a member of the *Contract Action Team.***
