TEACHERS AND SCHOOL PERSONNEL: Vote NO on Issue 2 to Stop SB 5

Issue 2 Eliminates Our Rights at Work

Issue 2 asks voters whether we want SB 5 to go into effect or be stopped. Under SB 5, we risk losing our collective bargaining rights as teachers and school employees. It will lead to lost jobs and privatization, which is bad for our students, our families and our community.

Vote NO on Issue 2 to stop SB 5 or lose your:

- seniority, salary schedule, step increases
- ability to negotiate health care
- accumulated sick leave and severance
- professional voice on issues like class size and safety
- ability to bargain the length and scope of the work day
- right to negotiate to reach agreements

Issue 2 gives management the final say.

That's not collective bargaining, that's collective begging!
